Pollution Prevention Award Program

We are pleased to announce an EPA Region 7 (IA, KS, MO, NE) Pollution Prevention Award Program. Pollution prevention (P2) is an effective, non-regulatory approach to energy conservation, water conservation, reduction of toxic materials used, and cost savings. This awards program is designed to further recognize P2 successes and encourage other entities to consider a P2 approach.

Consider applying for a non-monetary award to recognize businesses, industry, tribes, and nonprofits from Iowa, Kansas, Missouri, and Nebraska. This awards program is designed to recognize P2 successes and encourage other entities to consider a P2 approach.

Applications are due March 2, 2018. For more information and the application, follow this link: <https://www.epa.gov/ks/forms/p2-awards>.

Awards will be presented at the [Midwest Environmental Compliance Conference](#) on April 11, 2018 at the Kansas City Convention Center.
